

Dear Colleague

**Workipedia is a work rehabilitation interest group** that was established in 2007 to create a platform and opportunity for discussion in various areas of vocational rehabilitation. Its goal is professional development as individuals and as a profession; as well as to provide a platform for collaboration, discussion and support.

Workipedia has been privileged to welcome a variety of speakers within the profession to present over the years. We strive to ensure that the topics selected for our yearly programme are inclusive of ideas and areas of interest expressed by our members and attendees during the course of the year.

In 2020, we moved onto an online platform (Zoom); which allowed us a wider reach to therapists across the country. Feedback indicates that the predominant interest remains in Workipedia as an online platform; hence, **we will continue online, with a goal for more interactive sessions.**

So, without further ado, we would like to welcome you to **Workipedia 2024:**

<b>VENUE</b>	<b>Online on Zoom.</b> A Zoom link will be sent via email the day before the session.
<b>ANNUAL MEMBERSHIP</b>	<b>R2500.00</b> <b>20 CPD points (18 points + 2 ethics)</b> This entitles you to attend all 10 sessions live OR Watch the video recordings at your own convenience. No notice of your preference is required.  Why the increase? Rates have increased to account for VAT; as well as more fair payment of our speakers and administrators. Previously, speakers were primarily on a volunteer basis, which we feel is unfair for our incredibly experienced and committed speakers.
<b>SESSIONAL FEES</b>	<b>R300.00 per session</b> will be payable for those who would prefer not to commit to annual membership. <b>2 CPD points per session.</b> Confirmation and payment will be required <b>no later than one week prior to the scheduled session.</b>  This amount is non-refundable.
